

Bow Maker *Pattern*

Create your own decorative bows with your favorite paper & this simple pattern!

Directions: Print this file at 100% Scale, cut along the black line of the patterns until you have all three pieces of the pattern cut out. Trace the pieces onto your favorite patterned paper, cut and then assemble the bow by folding edges a & b onto edge c of piece 1 (stick with tape or glue), then line up piece 2 behind the bow and wrap piece 3 around the center of pieces 1 & 2 and secure with tape or glue!
